v.

STATEMENT OF ADDITIONAL  
GROUND FOR REVIEW

Appellant.

I, Justin Leslie, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Malicious Prosecution, The institution of a criminal or civil proceeding for an improper purpose and without probable cause. My victim Lauren Peterson came to my first court date and wrote a statement saying she was the one who made contact with me and stated she lied to me and told me the no-contact order was dropped. Therefore it should have been thrown out

Additional Ground 2

On the first day of my trial the Prosecutor was denied two motions. He stated that with those two motions being denied that he does not have much of a case against Mr. Leslie. So on Tuesday during recess the Prosecutor stayed in the court room and wrote up another motion, one that had been denied, just worded different, And it was accepted but my attorney had no time for a response.

If there are additional grounds, a brief summary is attached to this statement.
